

Lexical Review: Kids box Unit

I. Read the dialogue and underline words about clothes

- William: My name is William. I am a firefighter in California, USA.
Judy: Hello, can I ask you some questions about the clothes you are wearing?
William: Yeah, sure. What do you want to know?
Judy: Let's begin with what you usually wear when you are at work when you put out fires.
William: Well, on my feet I wear strong boots made from rubber and metal to protect me from getting burned. I also wear big pants because they are easy to wear in an emergency. My jacket protects the top of my body and helps me stay dry; there are big pockets in it to carry things.
Judy: Is there anything else you wear with your uniform?
William: I wear a special scarf around my neck that can also cover my head. And most importantly, my mask as it protects my face and eyes from fire and smoke.
Judy: And what about your helmet and gloves. Do you always need to wear them?
William: Yeah, they are very important! My helmet and gloves are made of leather and they can resist the very hot temperatures!
