

Lexical Review: Interchange 1 – Unit 3 “How much are these?”

I. Read the dialogue and underline the words related to colours and materials.

Olivia: I love these dresses! They are perfect for the wedding on Saturday.
Sophie: Yes, I love this black cotton one.
Olivia: The black one? Why?
Sophie: It's more stylish for a wedding than the red leather one.
Olivia: That's true, but it's the middle of summer. The material of this other one is lighter.
Sophie: That's a good point. The wedding is in the afternoon, so silk is better, plus I like purple more.
Olivia: Hmm... there's no price tag. Excuse me, how much is this dress?
Salesclerk: It's \$400.000 chilean pesos. Would you like to try it on?
Sophie: Oh, no. That's ok. Thanks anyway.
Salesclerk: You're welcome.
